RECOMMENDED ACTION Recommended action in one of the named situations (symptoms, positive test, contact person C1, C2).	SYMPTOMS A student has these symptoms dry cough, high temperature, disorder of sense of taste or smell.	TEST A student has tested positive.	CONTACT PERSON <a href="#">Assistance for preliminary self-assessment</a> The public health authority will make the final classification.	
			A student is a contact person in Category 1 (C1).	A student is a contact person in Category 2 (C2).
<b>No entry</b> The student is not allowed to enter university buildings and attend on-campus lectures and classes at the university. To return, however, it is not necessary to present a negative test result.	<b>X</b> until symptom-free	<b>X</b> until the end of the quarantine	<b>X</b> until the end of the quarantine	as far as possible, only attendance at digital classes, with the recommendation to minimise contacts even more
<b>Inform the Dean of Studies and the Coronavirus Team</b> As long as this has not been done by someone else, I will inform the Dean of Studies and the university's central Coronavirus Team (see above for contact details).		<b>X</b> (if the student attended on-campus classes during the relevant period)		
<b>Information for public health authority</b> Should the public health authority request information I will notify the Dean of Studies or, directly, the central Coronavirus Team, of the organisational details in the relevant classes, plus, if necessary, provide written confirmation of compliance with the hygiene measures.		<b>X</b>		
<b>Communication of measures</b> I will support, as appropriate, the communication of necessary measures (e.g. on the further minimising of contacts) to the participants in the lecture or class.		<b>X</b>		
<b>Medical certificate</b> If the student has to withdraw from an examination for this reason I will ask to be shown a doctor's certificate with a description of the symptoms or a quarantine notice.	<b>X</b> medical certificate	<b>X</b> medical certificate or quarantine notice	<b>X</b> quarantine notice
